Data Privacy Policy

Customer data is retained for 90 days after account closure, after which it is permanently deleted from all backups. Marketing data is kept separately and deleted within 30 days of an unsubscribe request.

Any data breach must be reported to the regulator within 72 hours of discovery. The internal incident team must be notified within 4 hours.

Users have the right to request a copy of their personal data, which must be provided within 30 days in a machine-readable format such as CSV.

Passwords must be at least 12 characters long and are stored only as salted hashes. Access to production data requires manager approval and is reviewed every quarter.
